

Donating Eggs

According to Atlantic Monthly June 02, there is only one U.S. firm which is openly pursuing human cloning research for medical purposes. This firm is a private biotech called Advanced Cell Technology in Massachusetts. They get their eggs from local fertility clinics. Their website is: www.advancedcell.com if you would like to read more about them.

Bedford Stem Cell Research Foundation: Egg Donor Program
http://www.bedfordresearch.org/stemcell/stemcell.php?item=stemcell_eggdonor

If you wish to donate your eggs to fertility clinics for other purposes, please see:

The American Surrogacy Center
<http://www.surrogacy.com/>
see their classifieds under "Seeking Egg Donors"
<http://www.surrogacy.com/cgi-bin/classifieds/classifieds.cgi>

Egg donations may be subject to state legislation and you may want to review the situation with your attorney before you choose to donate.
