Homeless Veterans Provider Technical Assistance Center (VET TAC)

Phone: 877-VET-TACI

helps non-profit organizations and faith-based agencies create programs through funding from the Veterans Affairs, in order to assist homeless veterans in the transition from homelessness to independent living and receive the support services needed to do this. The VET TAC staff will provide training and consultation in writing successful grant applications to assist organizations in preparing VA Capital Grant and Per Diem applications for a fee for service. Homeless veteran providers from all states and territories are invited to participate.
