International Hyperbarics Association, Inc. (IHA)

15810 East Gale Avenue #178

Hacienda Heights, CA 91745

IHA is an educational and charitable organization focusing on the needs of the hyperbaric community. IHA distributes and publishes data, articles and papers regarding the latest hyperbaric news and strides. As a research institution, the Association networks, grants and facilitates access to hyperbaric patients, fellow doctors, and staff. IHA also grants funding to people in need of hyperbaric therapy.
