

Team Reeve Terms & Conditions for the 2027 Bank of America Boston Marathon

Entry Fee & Fundraising Requirements

The Team Reeve Boston Marathon Minimum Fundraising Requirement is \$15,000 and the participant is required to pay the Boston Marathon registration fee. Team Reeve fundraising pages will list a starting goal of \$20,000 to encourage fundraisers to exceed the \$15,000 minimum if possible. It is the expectation of all team members to continue fundraising even if they exceed their fundraising commitment before the marathon. The final fundraising deadline is April 19th, 2027 unless otherwise stipulated by the Team Reeve manager and agreed to by participant in writing. In the event the participant does not meet the minimum fundraising requirement by the date outlined above, the Christopher & Dana Reeve Foundation will charge the remaining fundraising balance owed to the participant's credit card. If \$10,000 is not raised by April 12th, 2027, the Team Reeve manager may charge the remaining fundraising balance to participant's card on file. We accept Visa, MasterCard, American Express and Discover. If credit on file fails and team member does not provide alternate source of payment, they may be banned from participating in future World Major Marathon events.

Participant will complete the below steps to be fully registered on Team Reeve:

1. Participant must set up custom Team Reeve fundraising page via GivenGain fundraising platform within 3 days of receiving instructions from the Team Reeve Manager. Participant will not receive the Boston Marathon registration link until their fundraising page is set up and then confirm via email it has been completed to the team manager. The Boston Athletic Association will provide access to registration links in January 2027.
2. Participant must complete separate 2027 Bank of America Boston Marathon registration link to be provided from Team Reeve manager within 3 days of receiving instructions. Participant is not confirmed on the team until both steps are completed.

Cancellation Policy

After official acceptance on the 2027 team, participant will be responsible for raising a minimum of \$15,000 by April 19th, 2027, even if participant chooses to cancel their participation for ANY reason. This includes injury, illness, family circumstance, etc. The Boston Marathon determines if charity participants are permitted to defer the entry to another year if they cannot participate in 2027. Participants are only able to cancel their entry and be relinquished of their fundraising commitment if the registration deadline has not passed and their entry is replaced by someone on the Team Reeve waitlist. Team Reeve cannot reassign entries to another team member in the event a participant has to cancel after our registration deadline. All team members are required to hit their fundraising minimum regardless of their circumstances or when they join the team.

Donations & Fundraising

Participants are expected to be consistently fundraising and communicating their fundraising progress/strategy with the Team Reeve manager when asked from the time they are accepted to the team through marathon weekend. The Team Reeve manager has the discretion to cancel their event entry before the registration deadline and assign to another participant on the Team Reeve waitlist if these criteria are not met. The Team Reeve manager reserves the right to charge the remaining fundraising balance to a participant if the registration deadline has passed and they have stopped communicating with the team manager or if they have stopped actively fundraising for the event.

In consideration of accepting this entry, participant hereby for themselves, heirs, executors and administrators, waive and release any and all rights and claims for damages they may have against the Christopher & Dana Reeve Foundation, Team Reeve, other foundation consultants and event sponsors for any, and all potential injuries suffered by participant in said event.
